Hi [First Name],

Welcome. I'm so glad you're here.

Attached to this email is your free guide: **“5 Questions Every New Believer Is Afraid to Ask (And Simple Biblical Answers).”**

[→ **Download Your Free Guide Here**]

These five questions come directly from Chapter 8 of *BELONG*, the first book in *The Discipleship Journey* series. I included them in the book because I've heard them asked — in hushed voices, after church services, in small group settings — by people who were too afraid to raise their hand and ask in public.

You are not alone in your questions. And God is not intimidated by them.

Over the next few days, I want to share a little more of the heart behind this series with you. But for now — open the guide, read it slowly, and know that the journey you're on is one of the most important journeys a person can take.

“Come to me, all ye that labour and are heavy laden, and I will give you rest.” — Matthew 11:28, KJV

P.S. — Tomorrow, I'll share the personal story behind why I wrote this series. It starts with a question I was too afraid to ask for years.

Email 2 — Day 2 (Sent 48 hours after opt-in)

Subject Line: The question I was too afraid to ask for 3 years **Preview Text:** This is the real reason I wrote The Discipleship Journey...

Hi [First Name],

I hope the guide was helpful. Today, I want to tell you something I've never shared publicly.

When I first became a Christian, I had a question that haunted me for nearly three years. I sat in church every Sunday, nodded along during small group, and smiled when people talked about their faith — but inside, I was terrified.

My question was this: *"What if I'm not really saved? What if I prayed the prayer wrong, or I don't feel different enough, or God didn't actually hear me?"*

I was too afraid to ask it out loud. I thought it would reveal that I was a fraud — that I didn't really belong in the church.

It wasn't until a pastor sat with me one afternoon and walked me through 1 John 5:13 — *"These things have I written unto you that believe on the name of the Son of God; that ye may know that ye have eternal life"* — that the fear finally broke.

God wants you to know. Not to wonder. Not to hope. To *know*.

That conversation changed my life. And it's the reason I wrote *The Discipleship Journey* — to give every new believer the clarity, the community, and the confidence that I didn't have for those three years.

A few KJV Bible reading tips to get you started:

The Gospel of John is the best starting point for new believers. Read one chapter per day. Don't rush. Ask God to show you one truth you can hold onto. When you finish John, move to the Psalms — they will teach you how to pray.

Tomorrow, I have something special to share with you — Book 1 of the series is now available, and for a very limited time, it's available at a special introductory price.

With you on the journey,

Hi [First Name],

I have exciting news.

For the next 72 hours, it's available at the introductory price of **\$0.99** (regular price: \$3.99).

[→ **Get BELONG on Amazon for \$0.99**]

BELONG is the book I wish I'd had when I first started following Jesus. It answers the questions that the free guide only touches on — and it walks you through the foundational truths that every new believer needs to stand on.

Here's what you'll discover inside:

Your identity in Christ — who you are now that you belong to God, and why your past no longer defines you.

How to overcome the guilt that keeps so many new believers stuck in shame instead of moving forward in grace.

How to find your place in the church family — and why community isn't optional for the Christian life.

Practical steps to begin reading the Bible in a way that actually makes sense and changes your daily life.

"Ye are no more strangers and foreigners, but fellowcitizens with the saints, and of the household of God." — Ephesians 2:19, KJV

You already belong. *BELONG* will help you live like it.
